My Unconditional Love

*Our lives are filled with certainty and unknowns,
Planning and waiting for what is to be.
Praying to be loved and not to be alone,
Searching for truthful eyes to see.*

*But there's one special absolute kind of love,
That will come without having to be asked.
A natural and true devotion from above,
That forever in my heart will last.*

My unconditional love...

Your sweet endearing face...
your soft and trusting eyes.
My loneliness was gone without a trace,
With your playful attention at my side.

No promises unkept; no expectations to see.
Your devotion I lovingly accept,
As you tenderly nestle close to me.

You've taught me the simple pleasures;
You're a treasure from God.
Giving me reason to smile;
You're meant to be here - for me.

You're full of surprises,
Comforting when you're near.
Filling my life with pleasure and delight,
You mean more to me with each passing year.

And although you're gone too soon from me,
Breaking my heart apart.
I'll cherish those eyes that I long to see.
Your memory will live always safe in my heart.

Your love was meant to be...
That, I'm certain you knew.
So I promise I will always love you,
unconditionally, too.
