"I WANT A TREAT...NOW!!"

An Interview with Tootsie

When were you born?

I was born on November 4, 1982, in Plano Texas. That makes me a VERY young 16 years old!

What breed of dog are you?

My mother was a schmauzer and my father was a black dog that lived down the street. Need I say more?

How much do you weigh?

Well, if you have to know, I weigh in at a slim 16.8 lbs.

Where do you hang your leash?

In Coppell, Texas, with my owners, Janice and Tim.

What are your favorite foods?

Well, about anything, but I am on a special diet to keep my figure in check. However, if you can sneak it to me...

Ice cream

Cheese

Eggs

Chocolate

Turkey

Popcorn

What advice do you have for young pups?

Life just keeps getting better the older you get! I have my owners really well trained. Since I'm older, they try not to get mad and yell at me. Even when I have an accident in the house...they try to understand. And the TREATS! Well, I've got them up to ~~few~~**FIVE** treats a night! I do about what ever I want to do. They think my hearing isn't as good as it used to be...it's just that I CHOOSE not to listen!

Tootsie's Makeover

And now a personal message from Tootsie:

It seems that every talk show that's on TV these days has "makeovers." But I have never seen a show for doggy makeovers!

Guess what? Before these shows were ever in fashion, I, Tootsie Purpura, experienced a moth-into-a-butterfly metamorphous.

For the first four years of my life, my owners kept me "as God intended." Even though my mother was a schmauzer, I had never had a haircut. What a mistake! It took four years for my owners to finally say "Enough!!"

In 1987 I became a new me! Ever since then, I go to the beauty parlor and get a shampoo and cut... and even a purple bow.

You ready to see my before and after pictures? Enjoy!!
